

GRINDURO LENZERHEIDE

Grinduro Lenzerheide is the first gravel enduro race in Switzerland and part of the international Grinduro series.

On a gravel tour in a spectacular landscape in the middle of the Swiss Alps there will be four "stages" on time. The sections are usually between five and 15 minutes and may have all different characteristics: uphill or downhill, on asphalt, gravel or even singletrack.

Grindurito

If you do not dare to do the big round, you want to sign up for the Grindurito. About half of the Grinduro course and no timekeeping - but the full gravel experience!

Fun Prologue

All those who already want to have fun on their bikes on Friday, sign up for the Fun Prologue race. A short circuit around the venue on asphalt, gravel and dirt in time trial format serves as qualification - the fastest lap counts. For the final runs in eliminator format, with per run 8 riders, the best 16 women and 32 men will qualify.

Everyone else enjoy the show, the campfire, good music and the local craft beer.
